

Ice melt options.

We'll help you find just the right solutions for your facility.

BEST

**\$16.95/
Bag**

Excel Calcium Chloride Bag

- **Melts to -25°F**
- “HOT” active ingredient is calcium chloride
- Begins melting immediately upon contact and generates melting heat fast
- Quickly penetrates frozen surfaces to undercut the ice
- Most efficient ice melter on the market melts more so the application rate is less
- Odorless and colorless, with no powdery residue
- Staples No. 822670
- Qty. 50 lb. Bag; EA

Additional handling fee of \$2.99 per bag

BETTER

**50 lb.: \$11.10/Bag
20 lb.: \$8.99/Bag**

Road Runner Blend Bag

- **Melts to -15°F**
- Nationally recognized, high-quality calcium chloride and magnesium chloride pellet blend
- Highest “HOT” active ingredients percentage of any blend on the market
- Combines quality, performance and price
- Safe on concrete and vegetation
- Fewer applications and more economical than rock salt
- Staples No. 822669
- Qty. 50 lb. Bag; EA
- Staples No. 822667
- Qty. 20 lb. Bag; EA

Additional handling fee of \$2.99 per bag

BETTER

\$26.87/4 PK.

Road Runner Blend Jug

- **Melts to -15°F**
- Nationally recognized, high-quality calcium chloride and magnesium chloride pellet blend
- Highest “HOT” active ingredients percentage of any blend on the market
- Combines quality, performance and price
- Safe on concrete and vegetation
- Fewer applications and more economical than rock salt
- Staples No. 829891
- Qty. 12 lb. Jug, 4/CT

Additional handling fee of \$2.99 per carton

GOOD

**\$18.99/
Bag**

Traction Melt Bag

- **Melts to 0°F**
- Each salt crystal is coated with liquid magnesium chloride, making every crystal “HOT” for even performance on ice and snow surface
- Very economical
- Safe on concrete and vegetation when used correctly
- Contains corrosion inhibitors
- Staples No. 822662
- Qty. 50 lb. Bag; EA

Additional handling fee of \$2.99 per carton

BASIC

**\$11.49
/Bag**

SWI Rock Salt Bag

- Melts to 20°F
- Sodium chloride
- Safe and economical choice
- Prevents ice from accumulating
- All that is left is a clean surface
- Safe on concrete and vegetation when used correctly
- Staples No. 822665
- Qty. 50 lb. Bag; EA

Additional handling fee of \$2.99 per bag

ECO-FRIENDLY

**\$10.41/
Bag**

Green Scapes Bag

- Melts to -10°F
- Green water-based color indicator provides targeted applications, eliminating overapplication
- Each salt crystal is coated with Ice Ban and liquid magnesium chloride, making every crystal “HOT” for even performance on snow and ice
- Ice Ban is a natural, corn-based product that speeds the melting process and lowers the working temperature of Green Scapes
- Staples No. 822663
- Qty. 50 lb. Bag; EA

Additional handling fee of \$2.99 per bag
